ARTICLE VI
Amendment

6.1. **By Founder.**

With the written consent of the Owner, which consent shall not be unreasonably withheld or delayed, and until conveyance of the first Unit to a Person other than a Builder, Founder may unilaterally amend this Supplement for any purpose. Thereafter, Founder may unilaterally amend this Supplement if such amendment is necessary (a) to bring any provision into compliance with any applicable governmental statute, rule, regulation, or judicial determination; (b) to enable any

reputable title insurance company to issue title insurance coverage on the Units; (c) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on the Units; or (d) to satisfy the requirements of any local, state or federal governmental agency. However, any such amendment shall not adversely affect the title to any Unit unless the Owner shall consent in writing.

In addition, during the Development and Sale Period, Founder may unilaterally amend this Supplement for any other purpose, provided the amendment has no material adverse effect upon any right of more than 2% of the owners.

6.2. By Owners.

Except as otherwise specifically provided above, this Supplement may be amended only by the affirmative vote or written consent, or any combination thereof, of 75% of the total votes allocated to the Units within the Land, the approval of the Board, and, during the Development and Sale Period, any such amendment shall also require Founder's written consent.

Notwithstanding the above, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause.

6.3. Validity and Effective Date.

No amendment to this Supplement may remove, revoke, or modify any right or privilege of Founder or the Founder Member without the written consent of Founder or of the Founder Member, respectively (or the assignee of such right or privilege).

If an owner consents to any amendment to this Supplement, it will be conclusively presumed that such owner has the authority to consent, and no contrary provision in any Mortgage or contract between the owner and a third party will affect the validity of such amendment.

Any amendment shall become effective upon recording unless a later effective date is specified in the amendment. Any procedural challenge to an amendment must be made within six months of its recordation or such amendment shall be presumed to have been validly adopted. In no event shall a change of conditions or circumstances operate to amend any provisions of this Supplement.
