## *Introduction*

---

This report and budget provides the following information required pursuant to Section 5-11-23(F), NMSA 1978 (being a section of the Public Improvement District Act):

- Estimated operation and maintenance expenses of the district;
- Cost of public improvements to be financed by the special levy;
- All other expenditures for public infrastructure improvements and enhanced services proposed to be paid from the special levy; and
- Adjusted amounts raised to pay special levy bonds.

Any capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Rate and Method of Apportionment of Special Levy (the "Rate and Method") approved by the Board of Directors (the "Board") of The Mariposa East Public Improvement District (the "PID") pursuant to Board Resolution 2013-03 adopted on August 14, 2013.

---

***I. Estimated Operation and Maintenance Expenses***

---

The PID will incur no operation and maintenance expenses with respect to public improvements, but will incur administrative expenses in connection with the governance of the PID, the administration of the bonds to be exchanged for the PID's General Obligation Bonds, Series 2006 (the "2006 Bonds") and secured by the Annual Special Levy (the "2014 Bonds"), subject to authorization by the Board and approval by the City, and the billing and collection of the special levies implemented by the Board pursuant to Board Resolution 2013-03 adopted on August 14, 2013. Administrative Expenses, including County collection costs, are estimated at \$72,101 for Fiscal Year 2014-15.

---

## ***II. Cost of Public Improvements Financed by Annual Special Levy***

---

The Annual Special Levy will not directly finance public improvements. The 2006 Bonds, which will be exchanged for the 2014 Bonds, financed a wastewater treatment plant and water supply system including a booster pump station and transmission lines. The cost of the wastewater treatment plant is \$8,004,621. The cost of the water supply system is \$3,247,148.

---

### *III. Other Expenditures for Public Improvements and Enhanced Services*

---

The PID does not anticipate any other expenditures for public infrastructure improvements or enhanced services for Fiscal Year 2014-15.

---

#### ***IV. Collections***

---

The total special levy for Fiscal Year 2013-2014 was \$314,296. As of June 30, 2014, the County has remitted to the Trustee a total of \$272,181.52 in tax collections to the Pledged Revenue Fund.
