DISCLOSURE STATEMENT

The purpose of this Plat is to establish Tract C of the Final Plat of Ridgeline Estates Unit 2, Mariposa, New Mexico, Rio Rancho, Sandoval County, New Mexico, as the same is shown and designated on the plat thereof, recorded in the office of the County Clerk of Sandoval County, New Mexico on June 16, 2008 in Volume 3, Folio 2675-B as Document No. 28698. The purpose of this Plat is to dedicate public street right-of-way to Rio Rancho, New Mexico, and to grant easements.

PUBLIC UTILITY AND PRIVATE COMMUNICATION FACILITY EASEMENT

A public utility and private communication, ten (10) foot wide utility/communication easement is granted, dedicated, and reserved with the filing of this plat. This easement which is referred to as a Ten (10) foot PUE, is for the common joint use of:
1. PUE Electric Services for the installation, maintenance and service of underground electrical lines, transformers, and other equipment, fixtures, structures, and related facilities reasonably necessary to provide electrical service.
2. PUE Gas Services for the installation, maintenance, and service of natural gas lines, valves and other equipment and facilities reasonably necessary to provide natural gas.
3. CABLE for the installation, maintenance, and service of all buried communication lines and other related equipment and facilities reasonably necessary to provide communication services, including but not limited to above ground pedestals and closures.
4. Cable One for the installation, maintenance, and service of such lines, cables, and other related equipment and facilities reasonably necessary to provide Cable TV service.
5. High Desert Investment Corporation, its successors and assigns, for access, construction, installation, alteration, inspection, maintenance, repair and service of underground communication networks, including, without limitation, fiber optic cables, and related facilities of every kind and nature, together with the appropriate structures, networks, underground foundations, markings, conduits, vaults, fixtures, fixtures, surface mounted bases, switches, wires, antennas, cables and other necessary or convenient appurtenances connected therewith. High Desert Investment Corporation also reserves the right and shall have the right to grant easement easements of a similar nature to third parties, or assign the rights under this easement to third parties, or grant or assign all or a portion of its rights under this easement.
Included in the right to build, rebuild, construct, reconstruct, locate, relocate, change, remove, modify, repair, operate, and maintain facilities for the purposes described above, together with free access to, from, and over said easements, including sufficient work space for electric transformers, with the right and privilege to trim and remove trees, shrubs or bushes which interfere with the purposes set forth herein. No building, sign, pool, fence, ground or overhead utility, hot tub, concrete or wood pool deck, or other structure shall be erected or constructed on said easements, nor shall any well be drilled or operated thereon. Property owners shall be solely responsible for complying with all provisions of National Electrical Safety Code caused by construction of pools, decking, or any structures adjacent to or near easements shown on this plat.
Easements for electric transformers/switch gears, as installed shall extend ten feet (10) in front of transformer/switchgear doors and five feet (5) on each side.
The City of Rio Rancho and its designees and/or contractors may install, maintain and service water and wastewater lines within the 10' PUE.

DESCRIPTION

A certain tract of land situated within Section 14, Township 18 North, Range 2 East, New Mexico Principal Meridian, Rio Rancho, Sandoval County, New Mexico, being and comprising all of Tract C of the Final Plat of Ridgeline Estates Unit 1 - Mariposa, New Mexico, Rio Rancho, Sandoval County, New Mexico, as the same is shown and designated on the plat thereof, recorded in the office of the County Clerk of Sandoval County, New Mexico on June 16, 2008 in Volume 3, Folio 2675-B as Document No. 28698.
Tract C contains 23.2231 acres, more or less.

NOTES

- 1. Bearings are New Mexico State Plane Grid Bearings (Central Zone) NAD 1983.
- 2. Distances are ground distances.
- 3. All easements of record are shown.
- 4. Record bearings and distances are the same as shown on the plat being the same as shown on the Final Plat of Ridgeline Estates Unit 1 Mariposa, New Mexico, Rio Rancho, Sandoval County, New Mexico, as the same is shown and designated on the plat thereof, recorded in the office of the County Clerk of Sandoval County, New Mexico on June 16, 2008 in Volume 3, Folio 2675-B as Document No. 28698.
- 5. There are no buildings on the subject property.
- 6. A private communication easement located within the PUE is granted to High Desert Investment Corporation, its successors and assigns ("High Desert"), the subservient easement granted hereunder and the rights assigned hereunder will continue to be so long as High Desert and/or the grantee(s) lawfully exist as entities and High Desert and/or the grantee(s) shall maintain the improvements within the easement (the "improvements"). Prior to installation, High Desert and/or the grantee(s) shall deliver to the City of Rio Rancho (the "City") City Engineer construction plans for such improvements for the City's review and approval. High Desert and/or the grantee(s) shall be solely responsible for the maintenance and repair of any and all private communication improvements constructed in the PUE (public right-of-way) pursuant to this plat. High Desert and/or the grantee(s) shall be liable for and shall indemnify the City against any and all claims, liabilities, damages, costs or expenses incurred by the City as a result of the failure of such improvements. High Desert and/or the grantee(s) shall comply with any and all rules promulgated by the City Engineer from time to time regarding the depth and location of such improvements.
- 7. All Building Envelopes on this plat are 12,000 square feet.
- 8. The public right-of-ways shown on this plat are dedicated subject to the right of the Mariposa Community Association, Inc., a New Mexico non-profit corporation (the "Association"), and High Desert Investment Corporation, a New Mexico corporation ("HDIC") and/or either of their designees, to, within such public rights-of-way, (i) design, install, construct, use, access and operate landscaping and enhancement of landscaping using native and supplemental vegetation and improvements related thereto; (ii) design, install, construct, use, access and operate irrigation facilities; and (iii) repair and maintain of such landscaping and related irrigation facilities (all such landscaping and facilities are referred to as the "improvements") for the benefit of the Association and its members for so long as the Association continues to legally exist and to maintain such improvements. Prior to the installation of any improvements in the public right-of-ways shown on this plat, HDIC or the Association shall deliver to the City of Rio Rancho (the "City") City Engineer plans for such improvements for the City's review and approval. The City Engineer shall timely review the plans. The Association shall be solely responsible for the maintenance and repair of any and all improvements constructed in the public right-of-way pursuant to this plat only if installed by High Desert Investment Corporation or Mariposa Community Association. The Association shall be liable for and shall indemnify the City against any and all claims, liabilities, damages, costs or expenses incurred by the City as a result of the failure of such improvements. HDIC and the Association shall comply with any and all rules promulgated by the City Engineer from time to time regarding the depth and location of such improvements.
- 9. Private Cross Lot Drainage Easement; Drainage Easement to City; Easement to Association for Maintenance: (A) By the filing of this plat, all lots are subject to cross-drainage easements over that portion of each lot outside the building envelope, and over that portion of the building envelope of each lot upon which there are no improvements, for drainage of storm water runoff. No person shall alter the drainage on any lot so as to materially increase the drainage of storm water onto adjacent portions of any lots or alter the surface of the cross-drainage easement without the consent of the owner of the affected property. High Desert Investment Corporation ("Founder") and the Mariposa Community Association, Inc. ("Association") such cross-drainage easements are created and described in the Community Charter for Mariposa Residential Property, recorded December 23, 2004 in Book 407, Page 41052 as Document No. 200441052, records of Sandoval County, New Mexico (the "Charter"). The owner of each lot will maintain the cross-drainage easement. If the owner fails to maintain the cross-drainage easement, or allows the surface of the cross-drainage easement to be altered, the Association shall have the right to perform such maintenance as set forth in the Declaration and will have the right to restore the surface of the cross-drainage easement. The cross-drainage easement over each lot will not restrict the right of the owner of the lot to construct reasonable driveways and walkways from the public street to the building envelope over the lot subject to the cross-drainage easement, as provided in the Charter. Pursuant to the Charter, the owner of each lot shall design improvements to the lot in conformance with the most recent Mariposa Guidelines for Sustainability, and shall provide a certificate, as provided in the Guidelines for Sustainability, stamped by a registered New Mexico Professional Engineer, indicating the grading and drainage improvements are in substantial conformance with the plan approved by the Founder, Association and the owner of lots. (Founder and owners only as to the property and lots owned thereby), will be responsible for (i) conveying any storm water flows across the property and lots in a controlled manner to ensure the flows do not result in substantial damage to the property, lots, adjoining properties or downstream properties; (ii) conveying all flows to the property or lots from the City's adjacent right-of-way in a controlled manner to ensure the flows do not result in substantial damages to the property, lots, adjoining properties or downstream properties; (iii) constructing drainage improvements upon, maintaining, repairing and modifying the easement and the property and lots, and if City requires, removing improvements constructed on the easement or the property or lots ("Maintenance and Repair"), all in accordance with City standards including but not limited to the City approved Drainage Reports and Drainage Plans for the tracts subject to this easement; and (iv) all costs of the Maintenance and Repair under this Agreement. Neither Grantor, nor owners, nor Association will permit the easement to constitute a hazard to the health or safety of the general public or to interfere with City's use of City's adjoining property. Except any damage resulting from the negligent acts or omissions of City, City will have no responsibility or liability resulting from or arising in connection with (i) any storm drainage on the property or lots, the easement or building envelopes within the lots; (ii) any Maintenance and Repair performed on the property, lots or the easement by Founder, Association, any owner or (iii) any damage to any property, structures or improvements located on the property or within the Building Envelope caused by any storm drainage or any Maintenance and Repair. The obligations of Founder hereunder will terminate upon transfer of a lot to a third party. The Association is granted an easement in order to perform the Maintenance and Repair and fulfill its obligations under the easement.
- 10. The front (adjacent to street right-of-way) lot corner will not be staked. A witness corner projected along the property line (10' typ), being a chiseled "x" in the curb and gutter, a PK Nail in asphalt or a capped rebar will be set upon completion of all street improvements. Offset may be adjusted by even feet where necessary to fall within the curb. Front corners that mark a "top" will be marked by a chiseled "x" in the curb and gutter at an even foot offset parallel or radial to the centerline of roadway.
- 11. No individual lots shall be allowed vehicular access to Reservoir Road NE, Tract OS-18, or Tract 3 as shown on this plat.
- 12. Only one driveway connection is permitted for each lot.

SURVEYOR'S CERTIFICATION

I, Robert Gromatzky, a registered Professional New Mexico Surveyor, certify that I am responsible for this survey and that this plat was prepared by me or under my supervision, shows all easements of record, and conforms to the Minimum Requirements of the Board of Registration for Professional Engineers and Professional Surveyors in October, 2000 and meets the minimum requirements for the City of Rio Rancho Subdivision Ordinance, and is true and accurate to the best of my knowledge and belief.
